CHRISTMAS FESTIVITIES

LATE NIGHT SHOPPING / CHRISTMAS FESTIVAL

We are planning to close Junction Street in order to host a Christmas Festival/late night shopping event; therefore on this night we ask all businesses to stay open until 9.00pm. We understand some businesses are concerned that street closure limits parking for shoppers. In order to address this, we have planned the event to run from 6pm to 9pm, with street closure from 5pm.

The roving circus performers, kids activities and Santa should create a bustling environment and increase customers in the CBD. Don't hesitate to call if you have any suggestions or comments.

THURSDAY 11 DECEMBER

Businesses are encouraged to feature live music or arrange an art display; contact SBC for artist's contacts. Note: any additional outdoor seating outside would need DA approval from council.

CHRISTMAS WINDOW DISPLAY

Prizes of \$1500, \$1000 and \$500 will be offered to businesses in the CBD for the most enticing display. We are all aware the thousands of people drive to see Christmas lights. Let's encourage the same number of people to drive specifically to Nowra CBD to see a beautiful and extensive display day and night and do business while they are at it.

CANCELLATION OF CBD VOUCHER

The CBD voucher scheme is being drawn to a close. After its years in operation it was considered by the Committee to have successfully fulfilled its aim, and fresh new approaches will stimulate renewed interest. The final day for accepting vouchers is Saturday 31

January. Reimbursements will be given to businesses until Tuesday 31 March. Notices will go in newspapers and at point of distribution.
