## CBD CHRISTMAS CARNIVALE

*Thursday 11 December 6pm to 8.30pm*

*Circus Performers      Circus Skills Workshops      Balloon Sculptor  
Water slide              Jumping castles              Bungee Basketball  
A'capella choir          Roving Magician*

One of the key functions of the Committee is to address the prevalence of escape spending. The activities at CBD Christmas Carnivale focus on bringing families in to town, where children and teenagers can be entertained while parents and carers shop. The event will be advertised on television, print media and radio. Prime TV will be filming on the night. A flyer is on the revers of the newsletter for you to display in your store/premises.

Junction Street will be closed between Kinghorn & Berry Sts, allowing through traffic on these adjoining roads. In accordance with the Traffic Management Plan Junction Street will be closed from 4.30pm.

Structures such as the jumping castles will be located in Junction Street, the roving performers will wander along Berry, Kinghorn & Junction Streets. Santa will make an appearance at 6.30pm and 8.00pm in a Variety Club Bash Car.

The best dressed shop will be determined on the evening by independent judges.

---

## CRIME PREVENTION VAN

You are invited to attend a Mayoral Breakfast, to launch the Fundraising Appeal for the Shoalhaven Crime Prevention Steering Committee. The aim of the Committee is to raise funds through partnerships in the Shoalhaven for the purchase of a Crime Prevention Van.

This initiative addresses the concerns raised by a number of CBD business owners and investors by providing daily tasking and a visible law enforcement presence. The Van is to have multiple functions which will include the reduction of incidents in identified hotspots, helping build community confidence, reducing levels of perceived and actual crime, addressing various crime categories, and providing reassurance policing.

VENUE      Shoalhaven City Administrative Centre, Bridge Road, Nowra

DATE        Thursday, 18 December, 7.00am to 8.30am

RSVP        Essential, Thursday 11 December, Christine Sawkins 4429 3251

## COMMUNITY FORUM: CBD DEVELOPMENT

In response to concerns expressed by business owners regarding Junction Court and council's current review of the CBD, the Nowra CBD Committee in conjunction with the Shoalhaven Business Chamber is hosting a community forum to garner stakeholders views on future use of the space. All interested parties are invited to attend; council staff will also participate. The forum is an opportunity to be proactive in a responsive environment. The outcome will be the presentation to council of five viable options for redevelopment of the space.

To clarify the involvement of the Business Chamber, the CBD Promotions Committee is tasked with promoting the CBD; the Shoalhaven Business Chamber in its charter of promoting business sustainability and growth in the Shoalhaven will take the submission from the business people to council.

The Forum is planned for January, further information will be forthcoming. Your input and participation is valuable in determining the best way forward for the Shoalhaven.

## NOWRA CBD MAGAZINE

The response to the magazine has been overwhelmingly positive from locals and shop owners alike. Word has spread as far as north western NSW where a country town is considering creating their own. Thank you to all contributors, local models and participants. The next edition will be coming out in March, advertising bookings will be taken from January 2009.
